## Special Notices.

To all whom it may concern.—To prevent mistake and trouble, we desire to state that all of our POLITICAL CAMPAIGN PICTURES—advertised in another column of this paper—have been regularly COPIRIGHTED, and are therefore protected as our exclusive property. We demand it necessary to pursue this course to secure ourselves against the unprincipled conduct of some, who, on other occasions, have availed themselves of our designs, without permission or act, in so much.

We should much prefer to gratitiously furnish subjects for engraving to those who have not the ability or disposition to originate, rather than have our own ideas copied—and we hereby agree to supply parties with original designs, or Political and other Engravings, and also to provide the necessary words to advertise the same, provided, always, that they will bind themselves not to trench upon our rights.
